San Luis Sports Therapy

San Luis Sports Therapy is seeking self motivated, enthusiastic and entrepreneurial physical therapists looking for a worthwhile career with rewarding opportunities to run your own physical therapy clinic.

We have developed a unique management approach that allows Directors to focus on their patient care, staff management and business development.

Our administrative team of professionals exists to support the needs of the clinics by handling administrative tasks, maximizing efficiency, reimbursements and reducing financial and regulatory risks.

MINIMUM QUALIFICATIONS

- Bachelor's degree in Physical Therapy from an accredited program
- Licensed (or eligible) Physical Therapist in California
- Outstanding ability to assess patients needs and goals
- Sound knowledge of physical therapy principles, techniques and practices
- Firm understanding of operations and clinic equipment
- Excellent communicator and effective decision maker with leadership qualities

PERFERRED QUALIFICATIONS

Masters or Doctorate degree in Physical Therapy

- Previous supervisor experience at a clinical practice
- Knowledge of physical therapy insurance and reimbursements
- Ability to build strong relationships with physicians to generate referrals
- Actively involved in the local community
- Participation in continuing education programs

RESPONSIBILITIES

- Implement a highly skilled clinic with minimal supervision
- Follow the principle, policies, practices and procedures of San Luis Sports Therapy
- Professional demeanor
- Direct orientation, training and mentorship for staff
- Represent the clinic by maintaining a positive, professional image
- Participate in program development and planning
- Deliver outstanding quality patient care

For more information about the benefits of running your own clinic, contact our Director of Clinical Operations, Kelly Sanders at (805) 788-0805 ext. 216.
