The Movement for Life Team continues to be owned and operated by physical therapists.

ABOUT THE DIRECTORY:

Our Medical Directory is a service our team provides to the communities we serve. By providing a free tool for reference, we can better support our network of physicians and patients to quality healthcare. The Movement For Life® Team operates under a unique "Collaborative Model" where the motto "All for one and one for all!" rings true. We work together towards common goals for mutual benefit not only within our clinics but within our communities.
