LOCAL HIGH SCHOOL ATHLETES GO PINK

In support of breast cancer awareness and research, San Luis Sports Therapy is promoting Pink October with several Central Coast high schools' fall athletic programs. Nipomo High School, Arroyo Grande High School, Paso Robles High School, Atascadero High School, Templeton High School, Morro Bay High School, San Luis Obispo High School and Mission College Prep are all following the NFL's professional athletes' leads by participating in something much larger themselves and uniting in pink. These amazing high school athletes can be seen with pink athletic tape, pink sweatbands, pink ribbon t-shirts, and pink lanyards, compliments of San Luis Sports Therapy's athletic trainers.
